peace treaties, knowledge of the overall impact of war and border changes on business life remains sporadic, based on scant statistics and misleading national foci. Demonstrates that wartime destruction and the birth of "war millionaires" were two sides of the same coin. Despite the recent centenaries of the Great War and the Versailles

The Encyclopaedia Britannica

invaluable source of information for the student and general reader alike. Main theatres of war * a glossary of common words and phrases * an accessible and user-friendly A-Z layout The Routledge Who's Who in Military History will be a unique and
