You could speedily download this Marie Antoinette Writings On The Body Of A Queen after getting deal. So, subsequent to you require the book swiftly, you can straight get it. Its suitably categorically simple and appropriately fats, isnt it? You have to favor to in this fresher

Picturing Marie Leszczinska (1703-1768) JenniferG
Germann 2017-07-05 Portraits of Queen Marie Leszczinska (1703-1768) were highly visible in eighteenth-century France. Appearing in royal ch?aux and, after 1737, in the Parisian Salons, the queen's image was central to the visual construction of the monarchy. Her earliest portraits negotiated aspects of her ethnic difference, French gender norms, and royal rank to craft an image of an appropriate consort to the king. Later portraits by Maurice-Quentin de La Tour, Carle Van Loo, and Jean-Marc Nattier contributed to changing notions of queenship over the course of her 43 year tenure. Whether as royal wife, devout consort, or devoted mother, Marie Leszczinska's image mattered. While she has often been seen as a weak consort, this study argues that queenly images were powerful and even necessary for Louis XV's projection of authority. This is the first study dedicated to analyzing the queen's portraits. It engages feminist theory while setting the queen's image in the context of portraiture in France, courtly factional conflict, and the history of the French monarchy. While this investigation is historically specific, it raises the larger problem of the power of women's images versus the empowerment of women, a challenge that continues to plague the representation of political women today.

A Companion to Greek and Roman Sexualities Thomas K. Hubbard 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world. Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter, with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres, various social environments of sexual conduct, and the technical disciplines of medicine, magic, physiognomy, and dream interpretation Features contributions from more than 40 top international scholars

The Private Life of Marie Antoinette, Queen of France and Navarre Mme Campan (Jeanne-Louise-Henriette) 1883

In Search of Marie-Antoinette in the 1930s T. Lawrence Larkin 2019-04-02 In Search of Marie-Antoinette in the 1930s follows Austrian biographer Stefan Zweig, American producer Irving Thalberg, and Canadian-American actress Norma Shearer as they attempt to uncover personal aspects of Marie-Antoinette’s life at the French court
in the late eighteenth-century and to dramatize them in biography, cinema, and performance for public consumption during the 1930s. The first chapter establishes the core subject as an inquiry into the respective contributions of Zweig, Thalberg, and Shearer in formulating an “objective” or “authentic” image of “Marie-Antoinette.” The three chapters that follow examine in some detail how Zweig pursued research and drafted the psychological biography at his Salzburg home, Thalberg acquired film rights to the best-selling book and fought the censors to preserve the more sensational aspects of the screenplay at the Culver City studio, and Shearer worked closely with a new producer to give the script a strong romantic angle and to perform the character of the queen on the sound stage. The professionals’ research standards and strategic objectives are weighed in the formulation of a new myth at once sensitive to the historical record and suited to the leisure market.

*Glory and Terror* Antoine de Baecque 2001 Antoine de Baecque takes a look at the very public death of the great orator and libertine, Mirabeau; describes the pageantry of the procession carrying Voltaire’s body to the Pantheon; and investigates the sexually-charged myths surrounding the murder of Marie Antoinette’s intimate friend, the Princesse de Lamballe. He recreates the tense and awe-inspiring spectacle of Louis XVI’s execution, and examines the agonizing final hours of the defeated and disfigured Robespierre.“—BOOK JACKET.

*Louis XVI. and Marie Antoinette* Andrew Haggard 1909

*Marie Antoinette* Dena Goodman 2013-10-23 Marie-Antoinette is one of the most fascinating and controversial figures in all of French history. This volume explores the many struggles by various individuals and groups to put right Marie's identity, and it simultaneously links these struggles to larger destabilizations in social, political and gender systems in France. Looking at how Marie was represented in politics, art, literature and journalism, the contributors to this volume reveal how crucial political and cultural contexts were enacted "on the body of the queen" and on the complex identity of Marie. Taken together, these essays suggest that it is precisely because she came to represent the contradictions in the social, political and gender systems of her era, that Marie remains such an important historical figure.

*Shapely Bodies* Christine A. Jones 2013-05-16 Shapely Bodies: The Image of Porcelain in Eighteenth-Century France constructs the first cultural history of porcelain making in France. It takes its title from two types of “bodies” treated in this study: the craft of porcelain making shaped clods of earth into a clay body to produce high-end commodities and the French elite shaped human bodies into social subjects with the help of makeup, stylish patterns, and accessories. These practices crossed paths in the work of artisans, whose luxury objects reflected and also influenced the curves of fashion in the eighteenth century. French artisans began trials to reproduce fine Chinese porcelain in the 1660s. The challenge proved impossible until they found an essential ingredient, kaolin, in French soil in the 1760s. Shapely Bodies differs from other studies of French porcelain in that it does not begin in the 1760s at the Sèvres manufactory when it became technically possible to produce fine porcelain in France, but instead ends there. Without the secret of Chinese porcelain, artisans in France turned to radical forms of experimentation. Over the first half of the eighteenth century, they invented artificial alternatives to Chinese porcelain, decorated them with French style, and, with equal determination, shaped an identity for their new trade that distanced it from traditional guild-crafts and aligned it with scientific invention. The back story of porcelain making before kaolin provides a fascinating glimpse into the world of artisanal innovation and cultural mythmaking. To write artificial porcelain into a history of “real” porcelain dominated by China, Japan, and Meissen in Saxony, French porcelainiers learned to describe their new commodity in language that tapped into national pride and the mythic
power of French savoir faire. Artificial porcelain cut such a fashionable image that by the mid-eighteenth century, Louis XV appropriated it for the glory of the crown. When the monarchy ended, revolutionaries reclaimed French porcelain, the fruit of a century of artisanal labor, for the Republic. Tracking how the porcelain arts were depicted in documents and visual arts during one hundred years of experimentation, Shapely Bodies reveals the politics behind the making of French porcelain’s image. Published by University of Delaware Press. Distributed worldwide by Rutgers University Press.

The Cinematic Eighteenth Century Srividhya Swaminathan 2017-07-28 This collection explores how film and television depict the complex and diverse milieu of the eighteenth century as a literary, historical, and cultural space. Topics range from adaptations of Austen’s Sense and Sensibility and Defoe's Robinson Crusoe (The Martian) to historical fiction on the subjects of slavery (Belle), piracy (Crossbones and Black Sails), monarchy (The Madness of King George and The Libertine), print culture (Blackadder and National Treasure), and the role of women (Marie Antoinette, The Duchess, and Outlander). This interdisciplinary collection draws from film theory and literary theory to discuss how film and television allows for critical re-visioning as well as revising of the cultural concepts in literary and extra-literary writing about the historical period.

Marie Antoinette's Darkest Days Will Bashor 2016-12-01 This compelling book begins on the 2nd of August 1793, the day Marie Antoinette was torn from her family’s arms and escorted from the Temple to the Conciergerie, a thick-walled fortress turned prison. It was also known as the “waiting room for the guillotine” because prisoners only spent a day or two here before their conviction and subsequent execution. The ex-queen surely knew her days were numbered, but she could never have known that two and a half months would pass before she would finally stand trial and be convicted of the most ungodly charges. Will Bashor traces the final days of the prisoner registered only as Widow Capet, No. 280, a time that was a cruel mixture of grandeur, humiliation, and terror. Marie Antoinette’s reign amidst the splendors of the court of Versailles is a familiar story, but her final imprisonment in a fetid, dank dungeon is a little-known coda to a once-charmed life. Her seventy-six days in this terrifying prison can only be described as the darkest and most horrific of the fallen queen’s life, vividly recaptured in this richly researched history.

Marie Antoinette’s World Will Bashor 2020-06-15 This riveting book explores the little-known intimate life of Marie Antoinette and her milieu in a world filled with intrigue, infidelity, adultery, and sexually transmitted diseases. Will Bashor reveals the intrigue and debauchery of the Bourbon kings from Louis XIII to Louis XV, which were closely intertwined with the expansion of Versailles from a simple hunting lodge to a luxurious and intricately ordered palace. It soon became a retreat for scandalous conspiracies and rendezvous—all hidden from the public eye. When Marie Antoinette arrived, she was quickly drawn into a true viper's nest, encouraged by her imprudent entourage. Bashor shows that her often thoughtless, fantasy-driven, and notorious antics were inevitable given her family history and the alluring influences that surrounded her. Marie Antoinette's frivolous and flamboyant lifestyle prompted a torrent of scathing pamphlets, and Bashor scrutinizes the queen’s world to discover what was false, what was possible, and what, although shocking, was most probably true. Readers will be fascinated by this glimpse behind the decorative screens to learn the secret language of the queen’s fan and explore the dark passageways and staircases of endless intrigue at Versailles.

Significant Others Zita Eva Rohr 2021-08-31 Significant Others explores the transformative possibilities of alterity or otherness and offers concrete case studies that provide a greater understanding and nuance with regard to aspects of deviance and difference in
premodern court cultures. Both public and nominally private spaces were subject to the important influence of significant others, such as women, ethno-religious minorities, and marginalized and/or difficult-to-categorize men. From their positions within and ties to court cultures, these diverse outsiders – ‘others’ – played crucial roles in maintaining a fluidity essential for the successful sustaining of territorial monarchies and polities, challenging our understanding of the more narrowly defined elite behaviours that shaped premodern dynasties, rulers, societies, and cultures of the past. By exploring a variety of case studies from history and literature, such as Moroccan Jews as dhimmis (‘protected persons’), to bastards, mistresses, and sodomites in ancien régime France, to magic in Sir Gawain and the Green Knight, this volume makes use of empirical and contextually informed research to respond to theoretical questions posed by recent historiography. With a cross-disciplinary approach, this collection of essays will be a valuable resource for all students and scholars interested in the diverse aspects and contexts of premodern ‘others’.

**Farewell My Queens: from Marie Antoinette to Farah Diba**

Ellie Abdi 2022-06-29 There has been much written, from many perspectives, about the French revolution and Marie Antoinette over the years. However, Farewell My Queens, from Marie Antoinette to Farah Diba, by Dr. Ellie Abdi, Stewart Essence Parr, Nooshin Manshadi and edited by Marjorie Sara Mamman is the first I have read that compares the tragic lives of the queen of France and those of the three ill-fated queens of Iran: Fawzia Fuad of Egypt, Soraya Esfandyari Bakhteyari, and Farah Diba. While these Persian queens did not share the ultimate sacrifice of death under the blade of the guillotine, as did Marie Antoinette, as outsiders, these four queens all endured the stifling and controlling life at court and the pressure to produce an heir.

The Palgrave Handbook of Masculinity and Political Culture in Europe

Christopher Fletcher 2018-02-02 This handbook aims to challenge ‘gender blindness’ in the historical study of high politics, power, authority and government, by bringing together a group of scholars at the forefront of current historical research into the relationship between masculinity and political power. Until very recently in historical terms, formal political authority in Europe was normally and ideally held by adult males, with female power being perceived as a recurrent aberration. Yet paradoxically the study of the interactions between masculinity and political culture is still very much in its infancy. This volume seeks to remedy this lacuna by considering the different consequences of the masculinity of power over two millennia of European history. It examines how masculinity and political culture have interacted from ancient Rome and the early medieval Byzantine empire, to twentieth-century Germany and Italy. It considers a broad variety of case studies from early medieval Iceland and late medieval France, to Naples at the time of the French Revolution and Strasbourg after the Franco-Prussian War, with a particular focus on the development of political masculinities in Great Britain between the sixteenth century and the present day.

**Female Portraiture and Patronage in Marie Antoinette’s Court**

Sarah Grant 2018-09-03 This comprehensive book brings to light the portraits, private collections and public patronage of the princesse de Lamballe, a pivotal member of Marie-Antoinette’s inner circle. Drawing extensively on unpublished archival sources, Sarah Grant examines the princess’s many portrait commissions and the rich character of her private collections, which included works by some of the period’s leading artists and artisans. The book sheds new light on the agency, sorority and taste of Marie-Antoinette and her friends, a group of female patrons and model of courtly collecting that would be extinguished by the coming revolution.

**Marie Antoinette at Petit Trianon**

Denise Maior-Barron 2018-07-11 Marie Antoinette at Petit Trianon challenges common perceptions of the last Queen of France, appraising the role she played in relation to the events
of French Revolution through an original analysis of contemporary heritage practices and visitor perceptions at her former home, the Petit Trianon. Controversy and martyrdom have placed Marie Antoinette’s image within a spectrum of cultural caricatures that range from taboo to iconic. With a foundation in critical heritage studies, this book examines the diverse range of contemporary images portraying Marie Antoinette’s historical character, showing how they affect the interpretation and perception of the Petit Trianon. By considering both producers and receivers of these cultural heritage exponents – Marie Antoinette’s historical figure and the historic house museum of the Petit Trianon – the book expands current understandings of twenty-first century cultural heritage perceptions in relation to tourism and popular culture. A useful case study for academics, researchers and postgraduate students of cultural heritage, it will also be of interest to historians, keepers of house museums and those working in the field of tourism studies.

Queenship and Revolution in Early Modern Europe Carolyn Harris 2016-01-26

Queen Marie Antoinette, wife of King Louis XVI of France and Queen Henrietta Maria, wife of King Charles I of England were two of the most notorious queens in European history. They both faced accusations that they had transgressed social, gender and regional norms, and attempted to defend themselves against negative reactions to their behavior. Each queen engaged with the debates of her time concerning the place of women within their families, religion, politics, the public sphere and court culture and attempted to counter criticism of her foreign origins and political influence. The impeachment of Henrietta Maria in 1643 and trial and execution of Marie Antoinette in 1793 were also trials of monarchical government that shaped the English Civil Wars and French Revolution.

The Memoirs of Marie Antoinette, Queen of France Madame Campan 2018-09-20

Reproduction of the original: The Memoirs of Marie Antoinette, Queen of France by Madame Campan

The Life of Marie Antoinette – Queen of France Charles Duke Yonge 2006-04-01

Written thru the extensive use of correspondence between Marie Antoinette her mother Queen Maria Teresa, and her brothers Joseph and Leopold, and also a regular series of letters from the imperial ambassador at Paris, the Count Mercy d'Argenteau, which may almost be said to form a complete history of the court of France.

The Last Days of Marie Antoinette G. Lenotre 1907

Marie Antoinette, Phantom Queen Annie Goetzinger 2016

"Initially published in French as Marie Antoinette, la reine fantome."

Marie-Antoinette Dena Goodman 2003 First Published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

The Knight of Maison-Rouge Alexandre Dumas 2004-09-14

A major new translation of a forgotten classic Paris, 1793, the onset of the Terror. Brave Republican Maurice rescues a mysterious and beautiful woman from an angry mob and is unknowingly drawn into a secret Royalist plot—a plot revolving around the imprisoned Queen of France, Marie Antoinette, and her enigmatic and fearless champion, the Knight of Maison-Rouge. Full of surprising twists, breakneck adventure, conspiracies, swordplay, romance, and heroism, The Knight of Maison-Rouge is an exhilarating tale of selflessness, love, and honor under the shadow of the guillotine. Dumas here is at the very height of his powers, and with this first and only modern translation, readers can once again ride with the Knight of Maison-Rouge.

The Life of Marie Antoinette, Queen of France Charles Duke Yonge 1876

Confessions of Marie Antoinette Juliet Grey 2013-09-24

A novel for fans of Philippa Gregory and Michelle Moran, Confessions of Marie Antoinette blends rich historical detail with searing drama, bringing to life the first
years of the French Revolution and the final days of the legendary French queen. Versailles, 1789. As the burgeoning rebellion reaches the palace gates, Marie Antoinette finds her privileged and peaceful life swiftly upended by violence. Once her loyal subjects, the people of France now seek to overthrow the crown, placing the heirs of the Bourbon dynasty in mortal peril. Displaced to the Tuileries Palace in Paris, the royal family is propelled into the heart of the Revolution. There, despite a few staunch allies, they are surrounded by cunning spies and vicious enemies. Yet despite the political and personal threats against her, Marie Antoinette remains, above all, a devoted wife and mother, standing steadfastly by her husband, Louis XVI, and protecting their young son and daughter. And though the queen secretly attempts to arrange her family’s rescue from the clutches of the rebels, she finds that they can neither outrun the dangers encircling them nor escape their shocking fate. Advance praise for Confessions of Marie Antoinette “Juliet Grey brings her trilogy on Marie Antoinette’s life to a triumphant finale, depicting with sensitivity and compelling vividness the collapse of a bygone glamorous world and the courageous transformation of its ill-fated queen.”—C. W. Gortner, author of The Queen’s Vow “A heartfelt journey with Marie Antoinette in her wrenching last days . . . We see the end looming that is still veiled from her eyes, and knowing her hopes are in vain makes it all the more poignant. Far from the ‘let them eat cake’ woman of legend, Juliet Grey’s Marie Antoinette reveals herself to be a person we can admire for her courage, her loyalty, and her love of her family and her adopted country, France.”—Margaret George Look for special features inside. Join the Random House Reader’s Circle for author chats and more. Marie-Antoinette John Hardman 2019-09-10 A new look which fundamentally overturns our understanding of this famously "out of touch" queen "Presents [Marie-Antoinette] as much more than a symbol whose meaning is in the eye of her beholder . . . neither martyr nor voluptuary but rather a serious participant in politics."—Lynn Hunt, New York Review of Books "Splendid. . . . Masterly. . . . A wonderfully gripping biography."—Allan Massie, Wall Street Journal Named a Book of the Year (2020) by The Spectator Who was the real Marie-Antoinette? She was mistrusted and reviled in her own time, and today she is portrayed as a lightweight incapable of understanding the events that engulfed her. In this new account, John Hardman redresses the balance and sheds fresh light on Marie-Antoinette's story. Hardman shows how Marie-Antoinette played a significant but misunderstood role in the crisis of the monarchy. Drawing on new sources, he describes how, from the outset, Marie-Antoinette refused to prioritize the aggressive foreign policy of her mother, Maria-Theresa, bravely took over the helm from Louis XVI after the collapse of his morale, and, when revolution broke out, listened to the Third Estate and worked closely with repentant radicals to give the constitutional monarchy a fighting chance. For the first time, Hardman demonstrates exactly what influence Marie-Antoinette had and when and how she exerted it. Memoirs of the Court of Marie Antoinette, Queen of France Mme Campan (Jeanne-Louise-Henriette) 1900 Marie Antoinette, Phantom Queen Rodolphe 2016-08-01 During the 1930s, Maud, an artist, discovers she has a psychic gift. The first signs manifest themselves in the royal gardens of the Trianon where gradually she understands that a woman from the beyond is attempting to communicate with her. The revelation is beyond belief: it is the ghost of Marie Antoinette appearing to Maud to share a terrible secret that has tormented her for centuries. After being guillotined, the Queen is said to have been thrown into a common grave but then exhumed and buried with her husband, Louis XVI, in the Saint-Denis basilica. Yet the ghost tells Maud that her remains are still in the pit on which a chapel stands today. The queen asks Maud to move her body to the right place so she can finally find peace and no longer haunt people. Part fantastic ghost story, part biography, this
is a delicious beautifully illustrated look into French revolutionary history by the artist of the bestselling 'Girl in Dior.'

**Marie Antoinette, the Chevalier of the Red House**
Anonymous 2018-02-04 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. **Women in France Since 1789** Susan Foley 2017-03-14 This compelling study traces the changes in women's lives in France from 1789 to the present. Susan K. Foley surveys the patterns of women's experiences in the socially-segregated society of the early nineteenth century, and then traces the evolution of their lifestyles to the turn of the twenty-first century, when many of the earlier social distinctions had disappeared. Focusing on women's contested place within the political nation, Women in France since 1789 examines: - The on-going strength of notions of sexual difference - Recurrent debates over gender - The anxiety created by women's perceived departure from ideals of womanhood - Major controversies over matters such as reproductive rights, significant cultural changes, and women's often underestimated political roles. By addressing and exploring these key issues, Foley demonstrates women's efforts over two centuries to create a place in society on their own terms.

**The Wicked Queen** Chantal Thomas 1999 Chantal Thomas presents the history of the mythification of one of the most infamous queens in all history, whose execution still fascinates us today. In The Wicked Queen, Chantal Thomas presents the history of the mythification of one of the most infamous queens in all history, whose execution still fascinates us today. Almost as soon as Marie-Antoinette, archduchess of Austria, was brought to France as the bride of Louis XVI in 1771, she was smothered in images. In a monarchy increasingly under assault, the charm and horror of her feminine body and her political power as a foreign intruder turned Marie-Antoinette into an alien other. Marie-Antoinette's mythification, argues Thomas, must be interpreted as the misogynist demonization of women's power and authority in revolutionary France. In a series of pamphlets written from the 1770s until her death in 1793, Marie-Antoinette is portrayed as a spendthrift, a libertine, an orgiastic lesbian, and a poisoner and infant murderer. In her analyses of these pamphlets, seven of which appear here in translation for the first time, Thomas reconstructs how the mounting hallucinatory and libelous discourse culminated in the inevitable destruction of what had become the counterrevolutionary symbol par excellence. The Wicked Queen exposes the elaborate process by which the myth of Marie-Antoinette emerged as a crucial element in the successful staging of the French Revolution.

**Memoirs of the Private Life of Marie Antoinette, Queen of France and Navarre** Mme Campan (Jeanne-Louise-Henriette) 1823

**Menstruation and Procreation in Early Modern France** Cathy McClive 2016-03-03 Early modern bodies, particularly menstruating and pregnant bodies, were not stable signifiers. Menstruation and Procreation in Early
Modern France presents the first full-length discussion of menstruation and its uncertain connections with embodied sex, gender and reproduction in early modern France. Attitudes to menstruation are explored in three inter-linked arenas: medicine, moral theology and law across the sixteenth to the eighteenth centuries. Drawing on a wide range of diverse sources, including court records and private documents, the author uses case studies to explore the relationship between the exceptional corporeality of individuals and attempts to construct menstrual norms, reflecting on how early modern individuals, lay or otherwise, grappled with the enigma of menstruation. She analyzes how early modern men and women accounted for the function, recurrence and appearance of menstruation, from its role in maintaining health to the link between other physiological and bodily processes, including those found in both male and female bodies. She questions the assumption that menstruation was exclusively associated with women by the second half of the eighteenth century, arguing that whilst sex-related, menstruation was not sex-specific even at the turn of the nineteenth. Menstruation remains a contentious topic today. This book is not, therefore, simply a study of periods in early modern France, but is also of necessity an exploration about the nature and constitution of historical evidence, particularly bodily evidence and how historians use this evidence. It raises important questions about the concept of certainty and about the value of observation, testimony, expertise, the nature of language and the construction of bodily truths – about the body as witness and the body as evidence.

Marie Antoinette Hilaire Belloc 1909
Queen of Fashion Caroline Weber 2007-10-02 In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France. Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In Queen of Fashion, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

Marie Antoinette Antonia Fraser 2002-11-12 France's iconic queen, Marie Antoinette, wrongly accused of uttering the infamous "Let them eat cake," was alternately revered and reviled during her lifetime. For centuries since, she has been the object of debate, speculation, and the fascination so often accorded illustrious figures in history. Married in mere girlhood, this essentially lighthearted child was thrust onto the royal stage and commanded by circumstance to play a significant role in European history. Antonia Fraser's lavish and engaging portrait excites compassion and regard for all aspects of the queen, immersing the reader not only in the coming-of-age of a graceful woman, but in the culture of an unparalleled time and place.

Furnishing the Eighteenth Century Dena Goodman 2010-07-06 'Furnishing the 18th Century' is a collection of original essays that delves into the history of furniture, examining everyday items such as tea tables, jewellery boxes, dressers and sofas to uncover the social practices of the 18th century.

Queen of Fashion Caroline Weber 2006-09-19 Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. Here, 18th-century specialist Weber shows how Marie Antoinette developed her reputation for fashionable e
